DSV, KTH/Stockholm University Kista.

Academics & Work

- M.S ICT4D
- M.Sc E-commerce
- M.Sc Economics
- Worked in National bank of Pakistan as System administrator.
- Worked in Planning Commission of Pakistan as Research Associate/ Assistant Director.
- Worked as Manager MIS at Fawad Textiles group Pakistan

ICT4RD-Pk

- Submit a project proposal, of three year roadmap to National ICT R&D Fund of Pakistan.
- Deployment of a broadband network infrastructure which will connect schools, health care centers and local government offices in rural areas.

Unique Contribution

- With the help of Opensource we will provide a common platform to link different application like for e-learning, e-health and e-government.
- The platform will be easy to install, understandable and user friendly for anyone anywhere.
- This will improve the quality of life in health, education and public services in rural areas.
